

expp::memory::Allocator

```
graph BT; SimpleAllocator[expp::memory::SimpleAllocator] --> Allocator[expp::memory::Allocator];
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a white box with a thin grey border containing the text 'expp::memory::SimpleAllocator'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a grey box above it. The grey box contains the text 'expp::memory::Allocator'.
